WELCOME TO YOUR NEW UNISSON DISABILITY COMMUNITY & FRIENDS NEWSLETTER

WE ARE NOW UNISSON DISABILITY

In November we welcomed an exciting milestone in the almost 100 year history of our organisation: the launch of our new identity, Unisson Disability!

This change of our name and the look of our organisation is a celebration of who we are and have always been: a leading provider of disability support, committed to creating possibilities for impact and connection for those we support. We can proudly say Unisson Disability truly represents a team effort and a unified vision.

Over the coming six months we will continue to provide you with more updates on how we're integrating this

new name and look into our organisation. You'll see us making more noise out in the marketplace as we become a recognisable presence in the disability sector under Unisson Disability.

If you have any questions or concerns about our new name, please contact Katrina Jackson, Manager, Marketing & Communications on 1300 266 222 or info@unisson.org.au.

Visit us at unisondisability.org.au to see our new look.

UNISSON DISABILITY LAUNCH PARTIES

TO CELEBRATE THE LAUNCH OF OUR NEW BRAND AND NAME - we held various launch events in our local communities!

The head office at Pymble was host to a corporate launch event with board and company members, senior management, and suppliers as well as local members of government, council and the media.

Local morning tea style launch events were also held at Thornleigh, Frenchs Forest, Beaumont Hills and the Central Coast to celebrate in our local centres.

It was wonderful to celebrate with our staff, clients, families, and local community.

MEET ONE OF OUR CLIENTS

Jing Tan and his Direct Support Professional (DSP) Dorine

JING'S COOKING UP A BRIGHT FUTURE

There's no way twenty-year-old Jing Tan was ever going to let autism stand in the way of achieving his dream job. An avid cook, his ambition is to work in a kitchen. Filled with enthusiasm and passion, all he really needed was a helping hand.

With his family's support, Jing got in touch with Unisson and joined our Transition to Work (TTW) Program. From there, we helped him identify his goals, write his resume, and learn budgeting and money handling. He was also given job training and help with catching public transport independently.

Jing has now completed a number of Middle Eastern cooking courses, and spends two days a week being cooking up a storm with Unisson staff. Jing and his Direct Support Professional (DSP), Dorine, also work on meal planning and independent grocery shopping. With the support of Dorine, Jing has even been putting together a video resume to send to potential employers – a creative and unique way to stand out from the crowd while at the same time avoiding the need for a sit-down interview, something which is often difficult for people with autism.

"I love cooking, it's a real passion of mine," says Jing. "I'm currently working on my prep work on vegetables at the moment. I really like it!"

With the hopes of securing a kitchen-hand position at an RSL or a local restaurant for a few hours a week, Jing is continuing to work on new recipes and experimenting in the kitchen.

MEET ONE OF OUR STAFF

TAYLA-JAE HEDGE, ACTING TEAM LEADER - ACCOMMODATION & SHARED LIVING CENTRAL COAST.

WHAT BROUGHT YOU TO UNISSON?

I was a year away from finishing my degree in social science when it dawned on me I should probably put some feelers out in the air about where I could potentially start my career. I applied for a job at Unisson Disability as it was a very humble looking organisation and the way they presented themselves to the community was something I wanted to be a part of. It was also a great chance to gain experience in human services.

WHAT DO YOU LOVE ABOUT WORKING AT UNISSON?

I love that the staff feel like family. At Unisson nobody is ever too senior to take their time to have a chat with you. It is a really nice feeling.

TELL US SOMETHING INTERESTING ABOUT YOURSELF?

I lived in the Middle East for 3 years of my life and it opened my eyes to a whole new world. The experience living over there definitely contributes to the person I am today.

WHY DO YOU THINK PEOPLE CRAVE BELONGING?

Belonging is an essential aspect of everyday life. If you belong you feel safe, wanted, confident and loved. No matter who you are, you belong somewhere in this world.

HALLOWEEN AT COMMUNITY ACCESS

BEAUMONT HILLS GETS SPOOKY FOR HALLOWEEN

This Halloween, Beaumont Hills Community Access Centre decided to celebrate and host a themed party for the participants and staff!

There were plenty of spooky decorations around the centre, as well as face painting, Halloween craft activities, costumes, and a delicious BBQ lunch!

It was a great success with plenty of laughter and fun. Thank you to Monika Sondhi and her team of staff at Beaumont Hills CAPS for their initiative and putting on a wonderful Halloween party for everyone to enjoy!

SHARED LIVING HOUSE GETS AN UPDATE

SMALL ACTS, BIG REWARDS

Unisson Disability's shared living house for young people on the Central Coast, is home to three young residents with complex support needs and high-level medical care. The home seeks to be a caring and comfortable environment where the residents, all of whom have spent lengthy periods of time in hospital, can receive the support they require but also enjoy the social and fun aspects of being young individuals living together.

With their unimpeded passion to enjoy life to the fullest and overcome challenges, the residents and staff of Friendship Place were the inspiration behind Lendlease nominating the property to be the beneficiary of their time and efforts on the company's annual 'Community Day'.

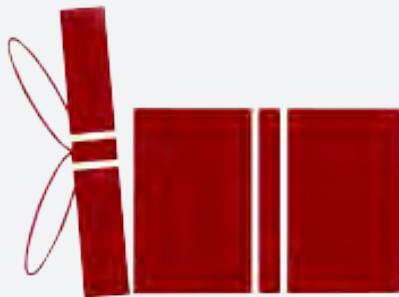

Community Day, one of the Lendlease Foundation's most popular programs, is the initiative which enables employees to nominate a cause of their choosing and volunteer their time and skills to make a meaningful and positive contribution to the local community.

It was an honour to welcome a team of 20 Lendlease employees from Erina Fair Shopping Centre to the Unisson residence for youth. The team kicked off the day's project early in the morning, and worked tirelessly for a full day revitalising the property's gardens and outdoor pergola area, building a herb garden, creating sensory gardens, providing fresh coats of paint, undertaking internal building repairs and AV upgrades, and even included a collaboration with renowned local modern indigenous artist, Grant Molony, to create a 12-metre-long mural in the garden.

According to Lendlease representative Tarita Potestas, "Our Community Day is all about giving back to our local community. When we heard about the amazing work being done at Unisson's shared residence for youth, and the inspirational residents, we knew this was a worthwhile cause. We were thrilled to volunteer our time to this project, and we can't wait to hear how the resident's and staff enjoy the new additions and improvements."

CHRISTMAS APPEAL

CHRISTMAS IS UPON US AGAIN

The season of giving and being thankful for what we have and the people we are fortunate to have in our lives.

We want to thank you for your ongoing generosity and support, it is with your help that we are in a position to offer more support services to people with disability.

This year we ask that you extend this generosity and support to Unisson Disability with the gift of a donation. Your donation – no matter the size - will help us to continue to focus on establishing unique and meaningful connections with the people we support.

To donate visit our website

unissondisability.org.au/donate-to-unisson-disability

Enjoy the festive season and thank you so much for your ongoing support of Unisson Disability.

ANNUAL REVIEW 2017

ANNUAL REVIEW

We are pleased to announce the release of our 2017 Annual Review. Thank you to all those who helped. Celebrating a year in the life of Unisson.

Unisson's annual review isn't just a progress report or a review of our achievements and highlights during the 2016 - 2017 financial year. It's also a story – a story about the people we work with every day and the people we support to achieve greater independence, and have a great life.

We want to show you – our valued supporters, community partners, volunteers, the government agencies whose help we couldn't be more grateful for, the families who give so much of their time and support, and anyone who is considering becoming part of the Sunshine story – exactly how your support is making a difference. A copy can be found on our website.

CARERS BBQ

IN CELEBRATION OF NATIONAL CARERS WEEK

and to say a huge thank you to all of our wonderful friends and families that are unpaid carers, Sunshine held a Carers Week BBQ at our respite cottage in Hornsby. It was a wonderful opportunity to get together, enjoy lunch and say thank you! To all of the unpaid carers who go above and beyond each day - we care about you.

JENNINGS LODGE

Unisson Disability recently collaborated with a smaller disability support provider, Jennings Lodge, to take over the support of two shared living houses.

Jennings Lodge was a small organisation established in the early 1980s, with shared living accommodation located in Baulkham Hills.

With the changes to the disability sector and the roll out of the NDIS, Jennings Lodge reached out to Unisson Disability to come together in support of their clients. With both organisations sharing the same key values, Jennings Lodge felt that Unisson Disability was the best organisation to take over the support of their clients and shared living houses.

The wonderful staff at Jennings Lodge have also become part of the Unisson team, and we extend a warm welcome to you all. We look forward to working together to support the clients at Jennings Lodge

UNISSON IS RECRUITING

Know anyone looking for a job in their local area? Unisson Disability is currently recruiting for Direct Support Professional roles. With the rollout of the NDIS, Unisson is working with more and more clients every day. This means that we are always looking for people to join the Unisson team and support our new and existing clients.
